

REGISTERED E-MAIL™

Powered by RPOST™

(R)egistered e-Mail™

Legal Proof™ of:

- **sending,**
- **delivery,**
- **content,**
- **authorship...**

A global standard for accountable electronic communication

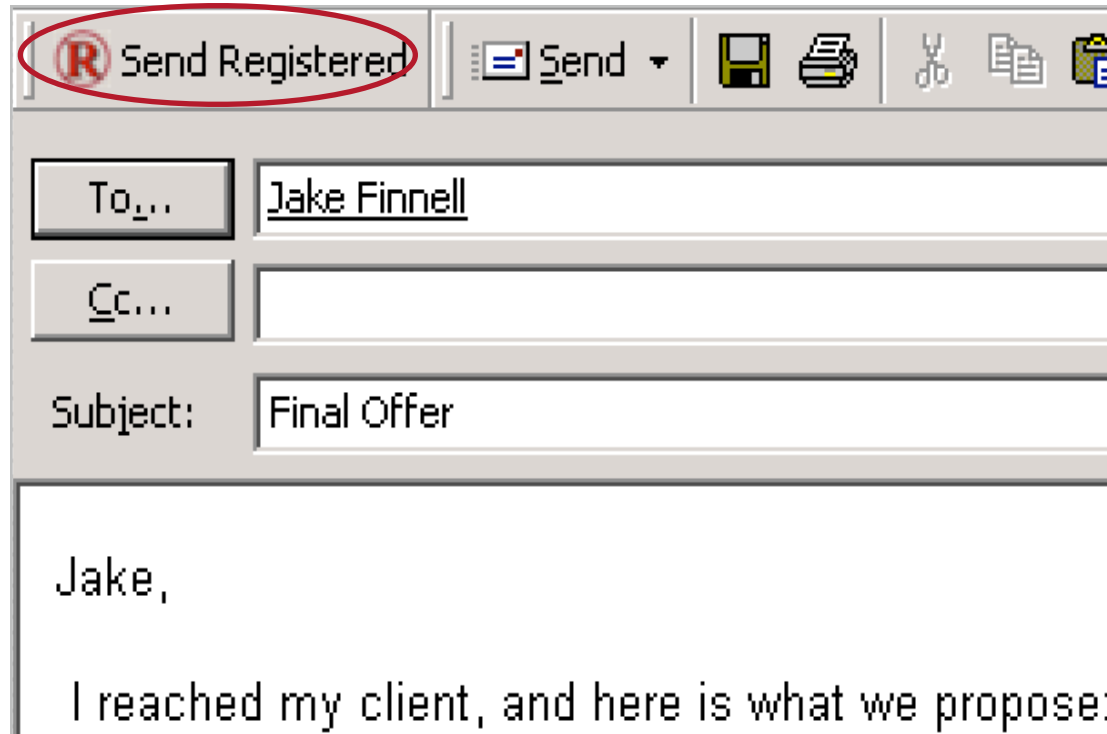

Registered e-Mail™ protects sender by decreasing risk in e-mail

- ✓ Provides extra accountability in e-mail
- ✓ Proves what was said
- ✓ Proves when sent
- ✓ Proves who sent
- ✓ Proves whether accepted by the receiver
- ✓ Proves whether e-mail was tampered with
- ✓ Provides e-mail archive that is “authentication ready”

Tip: Send Registered e-Mail™ when you want your message to stand out.

Registered e-Mail™ { Sender has Verifiable Proof
+ Receiver is Aware Sender has Proof
= Accountability

To send Registered e-Mail™ . . .
simply press the “*Send Registered™*” button.

The screenshot shows an email client interface. At the top, there is a toolbar with several icons. The first icon, a red 'R' inside a circle, is circled in red and labeled 'Send Registered'. To its right are icons for 'Send', a floppy disk, a printer, a pair of scissors, a document, and a folder. Below the toolbar, there are three input fields: 'To...' with the value 'Jake Finnell', 'Cc...' which is empty, and 'Subject:' with the value 'Final Offer'. Below these fields is a large text area containing the text: 'Jake, I reached my client, and here is what we propose:'.

It's that simple!

Delivery Receipt

The Registered Receipt™ proves legal delivery to any and all Internet addresses.

- ✓ Returned to sender within 6 hours.
- ✓ Proof of **Sending**
- ✓ Proof of **Delivery**
- ✓ Proof of **Content** (including attachments)

Tip: Delivery Receipts are stored by default in a separate folder within your Inbox. Press View > Folder List then press the + next to the Inbox

RPost does not store any e-mail.

Delivery Receipt

This is your Registered e-Mail Delivery Receipt. This receipt provides: i) an official time stamp, ii) proof that your message (attached) was sent and to whom it was sent, iii) proof that your message was delivered to its addressees or their authorized electronic agents, iv) proof of the content of your original message and all attachments. You should keep a copy of this receipt together with all of its attachments for your records. Note that the Registered e-Mail service does not retain any copy of your e-mail or this receipt. In the event anyone requires proof of this receipt's authenticity, that person may forward a copy of this receipt, with its original attachments, to verify@rpost.net and receive an authenticating reply.

Registered e-Mail™

Traditional Mail

- Opened
- Mailbox
- Mail Server
- Failure

- = Recipient signed
- = Assistant signed, put on desk
- = Mail Room signed
- = No one signs for it

Legal Delivery

Tip: The e-mail is legally delivered unless it says: Delivery Failure.

Receipt Authentication

The Receipt Authentication™ regenerates the transmission data and delivery status of the e-mail as well as re-presents the original e-mail.

Alex

REGENERATED ORIGINAL PROOF OF CONTENT

Message & attachments authenticated, regenerated - as originally processed

Proves authenticity of Registered Receipt™ submitted for verification

Verified delivery status proving original e-mail transmission

Note: RPost does not store e-mail

Value Comparison

Registered e-Mail™ provides more protection to the sender than any other delivery alternative. Further, it does so at a lower cost and with greater simplicity.

	(R)egistered e-Mail™	Standard e-mail	Fax	Certified mail or courier
Proof of Delivery	Yes - Proof	Confirm Sometimes	Confirm Sometimes	Yes
Proof of Content	Yes	No	No	No
Simplicity of Sending	Yes	Yes	No	No
Time to Delivery	Instantaneous	Instantaneous	Minutes/page	Days
Cost	< 25 cents	Low	Variable (distance & size)	\$4 to \$25+
